ATTENTION MIDDLERS AND SENIORS: JOB INTERVIEWING WORKSHOP TUESDAY JANUARY 10TH

On Tuesday (not Monday as earlier announced) January 10th from 7:00 - 10:00 p.m. in the Main Lounge, Dr. Howard Figler, Coordinator of the Career Center at the University of Texas, will lead a workshop on job interviewing. A counseling psychologist whose special interest is in career development, he is one of the best known individuals nationally in his profession.

The workshop will cover topics such as:
- preparing for an interview
- answering interviewers' questions effectively
- leaping the hurdle between student status and professional status
- exerting your own control on the interview process.

Although it is scheduled for the evening before exams begin because Mr. Figler will be in the area, the workshop should be of great value to both middlers and seniors and your participation is encouraged. Dr. Figler is a friend and colleague of Barbara Chaapel's from Dickinson College, and she recommends him highly.

ATTENTION STUDENTS IN FIELD EDUCATION:

Because of a new Federal regulation regarding the withholding of Social Security payments by churches, an alternative program for compensation for field education students has been offered to churches in our Field Education Program. If you are involved in field education work in a parish and are being paid directly by the church, this procedure may be changed to a scholarship grant for the second semester. Students who belong to the category indicated above should speak with their supervisor about that church's intention in this regard.

Churches have been asked to send their decisions in this regard to the Field Education Office by January 31, 1984. Those students who are doing field education in parishes and are being paid directly by the parish are urged to attend a special meeting for further explanation of procedures on Wednesday, February 1, 1984, 7:30 p.m. in the Auditorium.

PRINCETON JEWISH CENTER:

The Center is holding an eight-session course on Jewish Ethics. Seminary students are invited to attend all sessions free of charge. Although the first session was held January 24, participation in the remaining sessions is still open. An outline of the sessions is posted on the Seminary Relations bulletin board in the Administration Building. A description given by Rabbi Glatt describes the agenda: "Jewish Ethics occupies a foremost place in the spiritual heritage known as Judaism. This eight-session course will explain the origins, modes of transmission, and current applicability of Jewish Ethics. A wide range of issues will be discussed. Special readings will be assigned. These will be taken from a variety of sources including classic rabbinic materials, Holocaust documents, current Jewish periodical literature, and contemporary Jewish philosophical writings. Each session will deal with a specific theme or ethical problem. Ample opportunity will be provided for group participation and questions."

PLEASE OBSERVE TRAFFIC REGULATIONS

Recently, several drivers have been observed making a left turn when exiting from the Seminary driveway onto Mercer Street when the light is red for vehicles on Mercer Street.

We have been advised by the Princeton Borough Police that this is an illegal act and drivers will be ticketed for turning left at any time except when the light is green for Mercer Street. The reason behind this is that this is a private driveway and the light is permitted on Mercer Street only for pedestrian crossings.

I also want to remind motor vehicle operators that the stop line on Mercer Street for traffic going south from Princeton is in a position just ahead of the entrance to the Seminary driveway. This also means that you may not make a left turn when the light is red. Operators doing so will be subject to motor vehicle violation notices by the Borough Police.

SUMMER SOFTBALL

You may be aware that PTS has a softball team that plays in the summer slow-pitch league at Princeton University. For well over a decade we have entered a team each year and 1984 will be no exception.

We are presently preparing our roster. Men and women affiliated with PTS may join the team. Games are played Mondays and Fridays around 5:15 p.m. Games are usually scheduled once a week, although some weeks there are two games. While games in this league are often quite competitive, our team primarily goes out to have a good time in the sport. Even so, we usually make the playoffs and have won the championship at least once.

Coordinators for this year will be Robert Joe Lee, 74B, (737-2956); and Rick van den Heuvel, 73b, (883-6784). Please call us after 6:30 p.m. weekdays or at any time on weekends.

FIRST ANNUAL NEUMANN LECTURE

Wednesday, April 25, Main Lounge, 1:30 p.m.:
The newly-endowed Frederick Neumann lectureship will be inaugurated by Dr. Denis Baly, historian, geographer, and professor emeritus at Kenyon College. The title of his lecture will be "Beyond the Jordan Eastward: The Biblical Perspective."

An expert in Palestinian history and geography, Dr. Baly speaks with a unique perspective on the Middle East. In the 1940s he taught in schools in both Jerusalem and the East Mission in Palestine, now Israel and Jordan, and was later the first secretary for laymen's work with the World Council of Churches in Geneva. He has authored Chosen Peoples (1956), Multitudes in the Valley: Church and Crisis in the Middle East (1957), Atlas of the Biblical World (1971), and The Faith of Christians, to be published next fall.

The Frederick Neumann lectureship was established as an annual lectureship by Dr. Edith Neumann in memory of her husband. Born in Vienna in 1899, Frederick Neumann was ordained to the British Congregational ministry in Britain, where he and his wife sought asylum just before the outbreak of World War II. He worked as a missionary in Haifa until Israel became a nation and then worked with post-war refugees in New York City. He later became pastor of the Bushwick Avenue Congregational Church in Brooklyn.

A sincere thank you to all who helped make the spring blood drive on April 13 a great success. This was the second drive of the current academic year and the second time we have had one in the spring. One hundred twenty-one volunteers came in and 101 pints were given. This will go a long way towards meeting our 1984 quota.

For those of you who were unable to donate last Friday, you may contribute at the Princeton Medical Center. Please make an appointment by calling Martha Nielsen at the Princeton Red Cross, 924-2404.

--To all the donors--to all the support staff--who worked on the spring blooodmobile, the Princeton Area Blood Bank thanks you and so do I.

CONCERNING THE PASCHAL VIGIL

On behalf of the Steering Committee of the Paschal Vigil, I want each of the participants of the Vigil to know how much we appreciate your efforts in the process of making this year's Paschal Vigil a truly meaningful worship experience. It definitely could not have been done without you. Thank you very much.

If any of the Seminary community would like a copy of the Vigil script for use in your parish in whole or in part, you may see Bob Keefer or myself to obtain a script. You will need to make a copy of that script and then return the original to us.

NEW CHAPEL COUNCIL FORMED

The faculty has approved a new structure for the planning and carrying out of the chapel program at Princeton Seminary. This new structure called the Chapel Council will bring together the several responsibilities which have been carried out by the Faculty/Student Chapel Committee and the Student Chapel Group. The Chapel Council will consist of 14 persons: 4 full-time members of the faculty, 4 members of the student body, 2 members of the administrative staff, 2 chapel deacons, the director of music, and the director of the chapel. The latter is a new position and will be a part-time responsibility of a present member of the Seminary staff to be assigned by the president of the Seminary.

The Chapel Council will have six working committees and members of the student body, administrative staff, and faculty are invited to volunteer for service on any of these committees. The committees are: Holy Communion, Daily Chapel, Special Services, Music and the Arts, Publicity and Chapel Property, Liturgical Resources. A brief description of the responsibilities of these committees and sign-up sheets for next year are posted outside of the Chapel Office.

SEMINARY TO SUBSIDIZE COUNSELING SERVICES

In a recent student survey, an overwhelming number of students indicated their willingness to have an increase in the student fee next year in order to help support Seminary subsidizing of counseling at the Trinity Counseling Service. Trinity has had to increase its fee to $50.00 per session next year and the Seminary realizes that this will place a heavy burden upon those who require this service.

Accordingly, the student fee will be increased by $30.00 for next year. The Seminary is arranging with Trinity to pay 50 percent of the cost of up to ten counseling sessions for fully matriculated students. Students who seek counseling services will be required to pay a $35.00 fee for the initial diagnostic interview. If that interview results in a determination of a need for ten counseling sessions, the student would be responsible for $250.00 and the Seminary will pay $250.00. Loan funds through the Bonnell Revolving Fund will continue to be available to students for their portion of the cost up to $250.00. This program becomes effective in September of 1984 and questions in regard to it can be answered by Mr. Getty.

HUNGER RUN A SUCCESS

The Princeton World Hunger Run had its largest turn out in the three-year tradition and earned about $1500.00 for Oxfam America World Famine Relief. As coordinators of the run, we would like to express our deep gratitude to the many committed students who assisted in this community-building event. We are especially thankful to Tim Maxa, Chuck Yancey, Brant Baker, Dave Stark and Reggie Tuck for their efforts in organizing the run, and to President Gillespie for starting the race and running the initial one-mile run. The event could not have gone more smoothly and the support could not have been better. Thanks to all! Hunger Run T-shirts are still available at $3.00 each.

ALTERNATIVE MEAL PROGRAM INFORMATION

Exactly one hundred people have signed up for the Alternative Meal Program. Actual implementation of the program is contingent upon whether or not the amount of extra money students are willing to pay for the program will cover the extra cost projected by the food manager and the administration. It is expected that a decision on the possibility of an alternative meal program will be finalized and posted this week.

FROM THE WINESKIN OFFICE

We have run the 'Regularly Scheduled Events' without revision. Because changes in the schedule have not been given to the Wineskin office, it would be best to check with group leaders for possible cancellations.

*****

It's time to cap the Wineskin.!

The next deadline is Monday, September 10.

In an effort to collect and process Wineskin copy, next semester we will introduce an outline to be used for submitting copy to our office. For your convenience, these forms will be readily available at a number of points on campus. A more structured procedure will be helpful to all. It will insure that information reaches us in a clear and manageable format, promoting accuracy, and, we hope, will eliminate the need for additional fact-checking at deadline.

Many thanks for your cooperation this past year.

Wishing you the very best summer...
